

These colors are Invitation Basket's thermographic, lithographic and digital ink color selection.

- True PMS colors mixed for our printing presses may have greater chroma than the swatches below.
- Beyond the colors shown here, we accommodate custom PMS colors for thermographic and lithographic reproduction for the whole order at a net cost of \$105.00 per custom ink color.
- Digital printing can be produced in any range and combination of colors at no additional cost.
- Invitation Basket paper swatches indicate the recommended print method for each paper.
